Sub:-Tenders -- Waiving of -- requested.

Public Health lorry M.D.X.819 was due for half yearly brake inspection. It required repairs. Quotations were called for from various firms. The quotation of the Oriental Engineering Co., for Rs 457-0-0 was the lowest and so the Contract Committee in Resolution No.6 dated the 3rd April 1948 resolved to entrust the work to the Oriental Engineering Co.,. After dismantling the lorry several spare parts were required and the total cost has now amounted to Rs 726-11-. The council in its resolution No.2 (6) dated 25-9-48(Copy enclosed) sanctioned this expenditure. In resolution No.5 (4) dated 16-10-48 (Copy enclosed) it has also resolved to address the Government to waive tender. Supplies of materials above Rs 500-0-0 tenders have to be called for as per G.O.No.2492-L.A. dated 11-9-1941 as amended. I therefore request that the Government may be pleased to waive tenders in this case.
